Do you want your gift to have a bigger impact?

Patrons who want to fund the cost of outfitting a classroom from top to bottom can have a donor dedication tree mounted in the room to memorialize your gift.

It costs \$22,000 to fully outfit our Montessori classrooms. This includes not only furniture, book, and supplies, but also all of the unique Montessori classroom materials that are time-tested and highly crafted for learning.

To dedicate a classroom, please fill out the following:
