

# Summer Programs For FSMA Students

FSMA teachers will be offering summer enrichment programs for our students. These programs are designed to give children more experience with our curriculum topics, to help them continue interactions with schoolmates over the summer, and to provide exciting learning opportunities for our students.

- All sessions will be led by FSMA teachers
- Sessions will run Monday through Thursday from 9:00 a.m. to 12:00 p.m.
- Parents must provide transportation
- Cost \$120
- Camps will be filled on a first come/first served basis

## Session 1: June 27<sup>th</sup> – June 30<sup>th</sup>

|   |   |
|---|---|
| <b>Calling All Detectives!</b><br>(for children entering 1 <sup>st</sup> and 2 <sup>nd</sup> grade) | In Emily's "science with a twist" camp, children will conduct experiments to reveal secret messages, use tools like magnifying glasses to find clues, read mystery books and will make secret codes. On the last day of camp, they will work together to solve a mystery! |
| <b>Recycled Sculptures</b><br>(for children entering 3 <sup>rd</sup> – 6 <sup>th</sup> grade)       | Campers will build sculptures from recycled materials. And, learning about structures requires many engineering components that will be taught and reviewed. Wait until you see the amazing creations that can be made!   |

## Session 2: July 18<sup>th</sup> – July 21<sup>st</sup>

|  |   |
|--|---|
| <b>Papier Mache</b><br>(for children entering 1 <sup>st</sup> – 3 <sup>rd</sup> grade)             | Join Shivaun in this fun (and probably messy) creative camp. Each day will included another step in the process and in the end, all campers will create papier mache sculpture.   |
| <b>Summer Reading Book Club</b><br>(for children entering 4 <sup>th</sup> – 6 <sup>th</sup> grade) | Looking for a fun way to get your summer reading done? If yes, join Natalie for this summer book club experience. Children will get done some of their reading but also participate in fun activities designed to bring the book to life. |
| <b>Dance Camp</b><br>(for children entering 2 <sup>nd</sup> - 4 <sup>th</sup> grade)               | Join Maureen and Maggie (an amazing dancer and FSMA alumni) for a week filled with different types of dance. Children will learn new steps and may even choreograph a routine to share by the end of the week.                            |

## Session 3: August 1<sup>st</sup> – August 11<sup>th</sup>

|  |  |
|--|--|
| <b>Coding Camp</b><br>(for children entering 4 <sup>th</sup> – 6 <sup>th</sup> grade)      | Are you interested in taking your coding to the next level? Ready to master conditionals and variables? Do you want to try programming a robot? Then this club is for you...Join Mae-Lynn for this techno-fun camp!  |
| <b>Hola, Spanish!</b><br>(for children entering 1 <sup>st</sup> and 2 <sup>nd</sup> grade) | Hola! Join Jenny for this multi-cultural experience. Students will participate in activities designed to spark an interest in the Spanish language and Spanish culture.  |
| <b>Story Adventures</b><br>(for children entering 2 <sup>nd</sup> – 4 <sup>th</sup> grade) | Work with Megan to perform a Reader's Theatre, practice storytelling, create fun props, and maybe even write your own stories. (Keep your child engaged in reading and writing in this fun, interactive experience!) |
