

Incoming 2nd & 3rd Grade Summer Homework

Math

- **Practice math facts** online, manually (flash cards), or using a work book **2 times per week**.

Reading

- **Read** a variety of genres at least **5 times per week**.

Summer Box

- Collect 4-5 items from your summer in a small box to be shared with your classmates, including:
 - A collection of rocks (We will study them next year!)
 - A favorite book you read
 - A summer journal
 - A photo or illustration of something fun you did

Practical Life

- Practical life choices are included on the following page.

Practical Life Choices

See how many of these activities you can complete during your summer break!

| | | | | |
