Art Supplies

Dear Families,

Plans for Art will be built upon basic supplies and will allow students to choose materials whenever possible. Access to the following supplies would be helpful.

(4/5/6 note: Some of the below supplies are also on the general supply list above. You do not need to buy duplicates of those items, but please know your child will need them for both academic and special area work.)

Art Supplies Needed:

- pencil and eraser for drawing
- white paper and/or construction paper
- oil pastels or chalk pastels for students in grades 2-6
- a basic set of watercolors with a brush or something similar
- washable markers
- glue stick or white glue
- scissors

Thank you,
Shivaun Jester, Art Teacher, FSMA

Science Materials for 4/5 Lessons

In order to complete some of the hands-on science lessons from our first science unit called Structures of Life, we request 4th and 5th graders please gather these materials:

- One 2 L bottle
- Plastic knives and spoons
- Paper plates
- Old newspaper, brown grocery bags, or magazines (to protect the surface used for science work)

We will also be sending home some of the necessary materials in the at-home learning kits being distributed next week.
