

Happy Hearts with a Twist

Choose your own Adventure

Happy Hearts is a “Bring Someone Special” Event

Is this a father/daughter or mother/son event? The inspiration for Happy Hearts was these types of events but we wanted to make sure everyone was included. Rather than limit who you can bring, we ask that you “bring someone special” (that is over 18).

Happy Hearts is typically crafts, snacks and dancing... what will this year look like?

In the spirit of offering a variety of activities so there is something for everyone, Happy Hearts this year will be a “Choose Your Own Adventure” evening. All activities will be done virtually, at home with someone special, but our interactive format will also allow for community building and fun together!

Making the Night Special... in true Happy Hearts Fashion, there are many ways to make the night even more special. Choose your own Adventure!

In the past, we have seen families make an entire night of the Happy Hearts Celebration. This could mean dinner before or ice-cream after, a special outfit... but please know that your attendance is special in and of itself!
