

# First State Montessori Academy

## Deep Roots, New Branches

Dear FSMA Families,

Each year we update the necessary forms and contacts for every student.

**Please select the forms for your “Returning” or “New” student. Download the forms packet, fill in electronically, and save. Then email, drop off, or mail back to FSMA.**

**We request that these are completed and returned by June 1st.** Forms will be processed over the summer months so that student files are updated and ready to go when the new school year begins.

**Completed forms/questions should be directed to our main office at [mainoffice@fsma.k12.de.us](mailto:mainoffice@fsma.k12.de.us) or 576-1500**

DIAA physical forms for fall athletic programs (**6th/7th/8th grade only**) will be due in early August – forms can be found under the Program/Sports tab on our website.

A little more about FSMA...We are a community that began with the goal of positively impacting children and families - because of this, it has become a very special place! As a Montessori school, we believe strongly in giving back and helping others. Our children, staff, and families participate in many projects to give back to the community and we have established a culture of giving. We look forward to benefiting from whatever you can offer...whether it be your time, talent, or treasure. We will share more about opportunities for getting involved but here are a few ways that might work for you now.

- o Grants - Does your company give grants to schools?
- o Matching or reimbursement - Will your company match or reimburse you for any non-profit contributions?
- o United Way - FSMA can be the recipient of your donations (#12883)
- o Purchase a leaf to leave a permanent mark on FSMA (this can be a great gift idea)

We are so excited that your child and your family are a part of the FSMA family! Please do not hesitate to reach out with any questions. We are here to make sure you have everything you need to be ready for the upcoming school year.

Sincerely,

Courtney Fox
