Incoming 2nd & 3rd Grade Summer Homework

Math - Choose One Below

Khan [Get Ready for 3rd Grade](#) (Rising 3rd graders only)

[Khan Camp](#) (Optional) is available starting July 1 with Dino Week!

[Khan Academy Kids](#) - (For Rising 2nd Graders)

Reading

Read a variety of genres at least 5 times per week.

Summer Box

Collect memories of your summer (5 items) in a small box to be shared with your classmates. It can include:

- nature collections (Examples: shells, rocks, feathers, photos...)
- a favorite book you read
- summer journal
- a photo, illustration, or pamphlet of a fun adventure

Practical Life

Practical life choices are included on the following page

Practical Life Choices

See how many of these activities you can complete during your summer break!

Draw or paint a self-portrait.	Send an e-mail to your teacher.	Make a meal.	Do a new chore you have never done before.	Set and clear the table.
Do the dishes.	Clean a room in your house.	Play catch outside.	Sweep the floor.	Learn how to play a new sport.
Learn how to tie your shoes, or teach someone else how to tie their shoes.	Try a new food.	Greet everyone in a new language for a day.	Go for a walk and pick up any trash you see.	Make an emergency kit with your family.
Do not use any electricity for one day.	Do a puzzle.	Do a crossword puzzle or word search.	Become pen-pals with a friend.	Play a board game.
Cheer someone up.	Help a neighbor.	Create a fire escape plan for your home.	Make a flower arrangement.	Learn how to wrap a present.
Plant something.	Learn how to braid hair.	Learn a new magic trick.	Put on a play.	Build a fort.
Play a new card game.	Learn how to floss your teeth.	Water the plants.	Take care of a pet.	Wash a car.
Draw a map of your room.	Go for a nature walk and write about what you see.	Follow a recipe.	Go bird watching and draw the birds you see.	Collect shells.
Paint something.	Make a card for someone you love.	Read to someone.	Donate something.	Measure something.
Write a grocery list.	Write a poem.	Start a lemonade stand or create your own business.	Count money and make change.	Take a photograph.
